November 13, 2015

Regulatory Branch

SUBJECT: Compliance Inspection for Department of the Army No. 2014-00563

Mr. William R. Beach
American Transmission Systems Incorporated
76 South Main Street, A-GO-13
Akron, Ohio 44308

Dear Mr. Reed:

This is in reference to the American Transmission Systems Incorporated Leroy Substation expansion project, located in waters of the United States at 13757 Leroy Center Road, Painesville, Lake County, Ohio. This project was authorized by Department of the Army (DA) number 2014-00563.

On November 6, 2015, U.S. Army Corps of Engineers staff performed a site inspection of this project. Based on the site inspection and a review of the permit and associated drawings, it has been determined that all waters of the United States impacts have been completed and you are in compliance with all terms and conditions of your permit and the waters of the United States that were proposed to be temporarily impacted have been restored. Your cooperation in this matter is appreciated.

Questions pertaining to this matter should be directed to me at (716) 879-4240, by writing to the following address: U.S. Army Corps of Engineers, 1776 Niagara Street, Buffalo, New York 14207, or by e-mail at: shaina.r.souder@usace.army.mil

Sincerely,

A handwritten signature in cursive script that reads "Shaina R. Souder".
