COMMENT DESCRIPTION:

our local news reported on dp&l requesting a rate hike and how people would have a voice in the decision. I would like to know how you go about letting you know how AGAINST that someone is? Their bills are already outrageous and the service is questionable most of the time!!! At a time when there are more families than not just making ends meet and those that aren't able to higher electric bills because the higher ups think they need more money in their pockets is ridiculous. Especially after years of hearing rumors of how the "inner sanctum" at the corporate

office is so overly decorated and furnished with marble floors and such so they can work in the lap of luxury. That is part that is wrong with this country, no one really takes in to consideration the family and how hard it has gotten to survive with all the money grubbing executives being allowed too continue ripping everyone off under the excuse of progress!!! Please do not allow them to raise our bills!!! Make them do a better job with what they have, that is what families are forced to do on a daily basis! Thank you for listening!!!
