**Re: NTE Ohio, LLC,
OPSB Case No. 14-534-EL-BGN**

Dear Ms. McNeal:

After a preconstruction meeting held on June 22, 2015, the Ohio Power Siting Board ("Board") Staff issued a letter authorizing NTE Ohio, LLC ("NTE") to commence construction of the proposed access road segments and the storm water pipe. In part, this authorization requires NTE to provide the Board notice of the completion date of its construction activities.

On September 11, 2015, NTE notified the Board that construction of the access road was completed. By this letter, NTE notifies the Board that the installation of the stormwater pipe portion that was approved at the June 22, 2015 preconstruction conference has been completed.

If you have any questions please call at the number listed above.

Sincerely,

Sally W. Bloomfield
