The FirstEnergy bailout is an  
abomination!

Public Utilities Commission of Ohio

NO BAILOUT!! for 1st Energy. If  
they can't provide a competitive  
product... they loose. It  
astounds me that CEO's normally  
praise capitalism... yet now they  
request artificial manipulation,  
and them to be deemed "winners."  
Make Adam Smith proud 1st  
Energy... quit!!
