## EXHIBIT E

**DESCRIPTION OF AND RATIONALE FOR THE INVOLVED TRANSACTION,  
INCLUDING PUBLIC INTEREST CONSIDERATIONS**

XO Communications Services, Inc. (“XOCS” or “Company”) respectfully notifies the Public Utilities Commission of Ohio (“Commission”) that the Company was converted from a Delaware corporation to a Delaware limited liability company and, as a result, its name has been changed to XO Communications Services, LLC. The effects of this conversion are pro forma in nature and, as a practical matter, are transparent to customers. It effects no change whatsoever to the Company’s ownership or to its operations. It does, however, result in a minor change to the Company’s name.

***XOCS***

XOCS is authorized by the Commission to provide competitive intrastate telecommunications services in Ohio<sup>1</sup>. XOCS is a direct, wholly-owned subsidiary of XO Communications, LLC (“XO LLC”) which, in turn, is a direct wholly-owned subsidiary of XO Holdings, a Delaware general partnership. XO LLC, a Delaware limited liability company, is a leading national provider of local and long distance telecommunications services to businesses, large enterprises and telecommunications carriers. XO LLC is authorized by the Federal Communications Commission to provide interstate and international telecommunications services. Through its subsidiaries — primarily XOCS — XO LLC is authorized to provide intrastate interexchange services in 49 states and to provide competitive local exchange services in 48 states as well as the District of Columbia.

---

<sup>1</sup> XOCS holds Revised Certificate No. 90-9017 issued pursuant to Case Number 07-1050-TP-ACC.

Through a number of intermediary companies, Carl C. Icahn, a U.S. citizen, holds 100% ownership of XO Holdings, XO LLC and XOCS.

XOCS is located at 13865 Sunrise Valley Drive, Herndon, Virginia 20171, (703) 547-2000.

### ***The Transaction***

For internal corporate purposes, the Company was converted from a Delaware corporation into a Delaware limited liability company. In conjunction with this conversion, the name changed to XO Communications Services, LLC. Under Delaware law, this conversion is treated as a continuation of the original corporate entity. The ownership interests in the entity have been converted from corporate stock to membership interests; however, the entities holding the ownership of XOCS has not changed. XO, LLC continues to hold 100% ownership of XOCS. Carl C. Icahn continues to hold 100% ultimate ownership of XOCS. Similarly, there has been no change whatsoever to the assets and obligations which XOCS holds as a result of these changes. Finally, XOCS, as a limited liability company, continues to be subject to the Commission's rules and orders exactly as it was prior to the conversion and change of operating name.

The converted entity has registered with the Ohio Secretary of State as a foreign limited liability company and thus is qualified to do business in the state

### ***Public Interest Considerations***

The conversion described above serves the public interest, as it enhances the strategic and financial flexibility of the Company. This flexibility benefits customers of the Company in Ohio and elsewhere. At the same time, the conversion and resulting name change hold no adverse

consequences for consumers. But for the minor change from “Inc.” to “LLC” in the Company’s name, the conversion is entirely transparent to the Company’s customers. There has been no change to the ownership, management or operations of the Company as a result of this change. There has been no change to the services provided to customers nor to the terms and conditions under which these services are delivered. Finally, there has been no change to the Company’s overall operational and financial qualifications to provide competitive telecommunications services as a result of the conversions or changes of operating name.
