COMMENT DESCRIPTION:

Rent and have Ohio Edison. Very expensive, Heat Pump not efficient, you let them charge to much and there are fees for everything. This whole thing is a scam and you allow it to happen. You deregulate but the charges are higher and higher. One bill one charge reasonable rate. Wow that was hard to think of. You allow them to keep increasing so they can make even more money. Do something about this. We can't afford this terrible service and ask that you either send a message or maybe just take over and charge fair for this. Thanks for nothing Don't let them increase any charges and have them lower them and get ride of all the other unless charges. Do your job.
