**MEMORANDUM IN SUPPORT OF FEDERAL EXECUTIVE AGENCIES’
MOTION TO INTERVENE**

In support of its Motion to Intervene in this proceeding, Federal Executive Agencies (“FEA”) avers that it represents all federal agencies in the Dayton Power & Light (“DP&L”) servicing area including Wright-Patterson Air Force Base (“WPAFB”). WPAFB represents one of the largest electric consumers for DP&L.

FEA has a real and substantial interest in these proceedings as it will be directly impacted by the cost of the electric service to FEA and its impact on the electric bills of all federal consumers in the service region. No other party to this proceeding will adequately represent the interest of FEA. FEA’s participation will contribute to these proceedings, and will not cause undue delay. The test of intervention pursuant to Rule 4901-1-11 Ohio Administrative Code has been met, and therefore, full intervention should be granted.

WHEREFORE, FEA moves this Commission to grant it intervention in this proceeding.
