To Whom it may Concern

I say no

as for a raise to First Energy  
they are making 15 billion  
in annual revenue. They don't  
need money from the  
general public and may  
since my pension of  
40% is being lost.

The working class has not  
had a pay raise in 2 years  
The answer is NO

Sincerely  
Richard Burnett
