Re: Case Number 16-0337-GA-AGG (Ultimate Energy Advisors, LLC)

In regard to the above case number, I was attempting upload documents requested by the Service Monitoring and Enforcement Department. During the process, I did not understand how to reference the correct case number because the system kept requiring that I create a new case number. I would like to correct this error by withdrawing the above case from the docketing system.

We voluntarily request to withdraw all submissions related to Case Number 16-0337-GA-AGG from the Docketing System. We will be resubmitting all the requested documents under another Case Number (14-0096-GA-AGG).

Please do not hesitate to contact me if you have any questions or concerns regarding this request.

Sincerely yours,
