**Re: Dominion East Ohio Construction Notice for Line 1745 Piggability
Project, Case No. 16-52-GA-BNR**

Dear Mr. Donlon and Ms. McNeal:

This letter corrects a mistake in the Construction Notice filed on February 8, 2016. The receiver will be on the property owned by Mr. Alan J. Rohr as the Construction Notice states. However, Mr. Rohr's mailing address and the address of the property where the receiver is to be located is not the same. The Construction Notice listed the mailing address of Mr. Rohr, 10399 Persimmon Street, Canal Fulton, Ohio 44614. This is his correct mailing address and the one to which the landowner letter has been sent.

However, the property where the receiver is to be located, while shown properly on the maps submitted with the Construction Notice, and described in the Construction Notice does not have an address per se. It is listed only by its parcel number, 2602281, with an address of only Manchester Avenue N.W., Lawrence Township, Ohio. This letter will clarify that Mr. Rohr's mailing address and the address where the receiver will be located are not the same.

I regret any inconvenience the impression that Mr. Rohr's mailing address and the address of the receiver station were the same, may have caused. If you have any questions, please let me know.

Sincerely,

Sally W. Bloomfield
