

BEFORE THE OHIO POWER SITING BOARD

In the Matter of the Application of)
North Coast Gas Transmission LLC for)
a Letter of Notification to Construct,) **Case No. 14-1754-GA-BLN**
Operate, and Maintain the Oregon)
Lateral Pipeline)

PROOF OF SERVICE

This Proof of Service relates to a Joint Application to Assign filed on February 17, 2016 in the above captioned proceeding. I certify that the Joint Applicants have also sent via Federal Express-Two Day Service a letter this day to all the public officials and libraries in the area explaining the nature of the transfer request. Copies of those letters are attached.

Respectfully submitted,

Re: Ohio Power Siting Board Case No. 14-1754-GA-BLN
Joint Application to Assign Certificate
North Coast Gas Transmission LLC and Generation Pipeline LLC

Dear Township Trustees Britten, Mack and Schaller:

The purpose of this letter is to notify you that North Coast Gas Transmission LLC (“North Coast”) and Generation Pipeline LLC (“Generation Pipeline”) recently filed a joint application with the Ohio Power Siting Board (“OPSB”) to assign the certificate issued in Case No. 14-1754-GA-BLN for the construction and operation of the Oregon Lateral Pipeline from North Coast to Generation Pipeline.

North Coast formed Generation Pipeline to own and operate the Oregon Lateral Pipeline. Generation Pipeline has been certified by the Public Utilities Commission of Ohio as a natural gas company, and it will be responsible for transporting and supplying natural gas to the Oregon Clean Energy facility after the pipeline is constructed.

As part of the transfer application (copy attached), Generation Pipeline has agreed to abide by all of the terms and conditions that are applicable to this project and the certificated pipeline will remain subject to the jurisdiction of the OPSB.

Re: Ohio Power Siting Board Case No. 14-1754-GA-BLN
Joint Application to Assign Certificate
North Coast Gas Transmission LLC and Generation Pipeline LLC

Dear Sir or Madam:

The purpose of this letter is to notify you that North Coast Gas Transmission LLC (“North Coast”) and Generation Pipeline LLC (“Generation Pipeline”) recently filed a joint application with the Ohio Power Siting Board (“OPSB”) to assign the certificate issued in Case No. 14-1754-GA-BLN for the construction and operation of the Oregon Lateral Pipeline from North Coast to Generation Pipeline.

North Coast formed Generation Pipeline to own and operate the Oregon Lateral Pipeline. Generation Pipeline has been certified by the Public Utilities Commission of Ohio as a natural gas company, and it will be responsible for transporting and supplying natural gas to the Oregon Clean Energy facility after the pipeline is constructed.

As part of the transfer application (copy attached), Generation Pipeline has agreed to abide by all of the terms and conditions that are applicable to this project and the certificated pipeline will remain subject to the jurisdiction of the OPSB.

Please call me or Michael Calderone, President of Generation Pipeline, at 614-505-7418, with any questions regarding this correspondence or the attached application.

Would you please make this joint application available for public inspection at your library? Thank you for your cooperation.

Very truly yours,

Michael J. Settineri
