PUCO Chairman Andre Porter
OH

Dear PUCO Chairman
Porter,

AEP wants me to subsidize inefficient power plants with rate increases that can cost consumers \$10.50 a month and thousands over the life of the deal. Older Ohioans, especially those with fixed incomes and no

Cost Of Living Adjustment (COLA) this year, should not be stuck with the bill because AEP is not competitive, nor should we bail them out on

our
backs.

The utility companies have threatened plant shut-downs and have warned that consumers and businesses will no longer have a reliable power supply if they don't get handouts paid for by consumers. But Ohio's power grid operator and multiple experts have said that Ohio has plenty of power generation for the future.

As a constituent and a consumer I feel it is time to take action. Please stand with Ohio consumers and say "no" to the utility bailouts regarding PUCO Case Numbers: 14-1297-EL-SSO; 14-1693; and 14-1694.

Sincerely,

Ms. janice
