THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Long-Term Forecast)
and Resource Plan of Duke Energy Ohio,) Case No. 16-588-EL-FOR
Inc.)

ENTRY

The attorney examiner finds:

- (1) Duke Energy Ohio, Inc. (Duke) is a public utility as defined in R.C. 4905.02, and, as such, is subject to the jurisdiction of this Commission.
- (2) Pursuant to Ohio Adm.Codes 4901:5-3-01 and 4901:5-5-06, electric utilities are required to file a long-term forecast report, including a resource plan, by April 15th of each year. Further, Ohio Adm.Code 4901:5-3-01(D) permits the Commission to grant an extension of the filing deadline for good cause shown.
- (3) On March 18, 2016, Duke filed a motion for a waiver of the Commission rules and a request for expedited treatment. Duke seeks an extension of the filing requirements so it can complete internal reporting and provide current and accurate information. Duke requests a new deadline of June 1, 2016, and notes that the extension will not cause undue delay or unfairly prejudice any prospective intervenors.
- (4) Because the extension request will not cause undue delay or unfair prejudice, the attorney examiner finds that the request is reasonable and good cause exists to grant the request. Accordingly, Duke shall file its long-term forecast report and resource plan by June 1, 2016.

It is, therefore,

ORDERED, That Duke's motion for extension of time to file its long-term forecast report and resource plan be granted. It is, further,

ORDERED, That Duke file its long-term forecast report and resource plan by June 1, 2016. It is, further,

ORDERED, That a copy of this Entry be served upon all parties of record.
