PUCO Chairman Andre Porter  
OH

Dear PUCO Chairman Porter,

Dayton Power and Light (DPL) wants me to subsidize inefficient power plants with rate increases that can cost consumers \$10.00 a month and thousands over the life of the deal. Older Ohioans, especially those with fixed incomes and no Cost Of Living Adjustment (COLA) this year, should not be stuck with the bill because DPL is not competitive, nor should we bail them out on our backs.

The utility companies have threatened plant shut-downs and have warned that consumers and businesses will no longer have a reliable power supply if they don't get handouts paid for by consumers. But Ohio's power grid operator and multiple experts have said that Ohio has plenty of power generation for the future.

As a consumer I feel it is time to take action. Please stand with Ohio

consumers and say "no" to the utility bailouts regarding PUCO  
Case Numbers: 14-1297-EL-SSO; 14-1693; and 15-1830.

Sincerely,

Ms. Kate Driscoll
