THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application)
of Glenwood Energy of Oxford, Inc.)
for Approval of Two Reasonable) Case No. 16-529-GA-AEC
Arrangements for Transporting Natural)
Gas Pursuant to R.C. 4905.31.)

FINDING AND ORDER

The Commission finds:

- (1) Glenwood Energy of Oxford, Inc. (Glenwood) is a natural gas company as defined in R.C. 4905.03 and a public utility as defined in R.C. 4905.02, and, as such, is subject to the jurisdiction of the Commission.
- (2) R.C. 4905.31 authorizes the Commission to approve schedules or reasonable arrangements between a public utility and one or more of its customers. The statute provides that every such schedule or reasonable arrangement shall be under the supervision and regulation of the Commission, and is subject to change, alteration, or modification by the Commission.
- (3) On March 8, 2016, Glenwood filed an application seeking approval of two reasonable arrangements for transporting natural gas, specifically, to McCullough-Hyde Memorial Hospital and to The Square D Company. The two arrangements are similar, and require Glenwood to transport natural gas for each customer not in excess of 500 thousand cubic feet (Mcf) per day for a monthly administrative/service rate of \$150.00, a transportation general service rate of \$3.03 per Mcf, a late payment charge of 1.5 percent if bills are not paid within 25 days, and a supplemental transportation rate to reimburse Glenwood for reservation charges initially of \$0.137 per Mcf. The two contracts contain balancing, interruption and curtailment,

force majeure, public utility excise tax and Mcf tax provisions, with terms ending June 30, 2018. Glenwood contends that both gas transportation agreements constitute reasonable arrangements under R.C. 4905.31 and should be approved.

- (4) On March 18, 2016, Staff filed its review and recommendations in response to Glenwood's application. Staff reviewed the application filed in this case and found that it is reasonable and in the public interest. Accordingly, Staff recommends that the Commission approve the application filed by Glenwood for reasonable arrangements with McCullough-Hyde Memorial Hospital and The Square D Company.
- (5) Upon review of Glenwood's application, as well as Staff's review and recommendations, the Commission finds that the application does not appear to be unjust or unreasonable and should, therefore, be approved. Accordingly, we find that the reasonable arrangements between Glenwood and McCullough-Hyde Memorial Hospital, and between Glenwood and The Square D Company, should be approved pursuant to R.C. 4905.31.

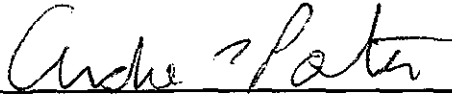

It is, therefore,

ORDERED, That Glenwood's application for two reasonable arrangements be approved. It is, further,

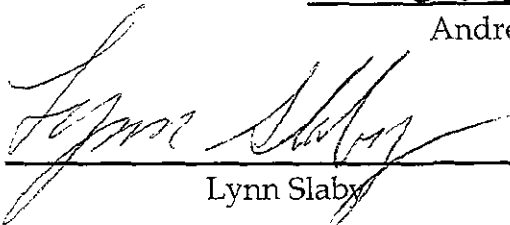

ORDERED, That nothing in this Finding and Order shall be binding upon this Commission in any future proceeding or investigation involving the justness or reasonableness of any rate, charge, rule, or regulation. It is, further,

ORDERED, That a copy of this Finding and Order be served upon all parties of record.
