1. Prior to the commencement of construction activities that require permits or authorizations by federal or state laws and regulations, the Applicant shall obtain and comply with such permits or authorizations. The Applicant shall provide copies of permits and authorizations, including all supporting documentation, to Staff within seven days of issuance or receipt by the Applicant.
2. The Applicant shall adhere to seasonal cutting dates of October 1 through April 1 for removal of trees, unless coordination efforts with the Ohio Department of Natural Resources and the U.S. Fish and Wildlife Service allow a different course of action.
3. The Applicant shall coordinate all traffic-related issues with the appropriate entities [including the Ohio Department of Transportation (if applicable), local authorities, and public and emergency services] to ensure that the flow of traffic will be maintained along public roadways and private drives during construction, or that appropriate plans will be followed for temporary traffic diversions.
