THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of Vectren)
Energy Delivery of Ohio, Inc. for Approval) Case No. 16-561-GA-ATA
of Revised Tariffs Concerning Customer)
Lists.)

FINDING AND ORDER

The Commission finds:

- (1) Vectren Energy Delivery of Ohio, Inc. (VEDO or the Company) is a natural gas company as defined in R.C. 4905.03 and a public utility as defined in R.C. 4905.02, and, as such, is subject to the jurisdiction of this Commission.
- (2) R.C. 4909.18 provides, in part, that a public utility may file an application to establish any rate, charge, regulation, or practice. If the Commission determines that the application is not for an increase in any rate and does not appear to be unjust or unreasonable, the Commission may approve the application without the need for a hearing.
- (3) On March 14, 2016, VEDO filed an application seeking approval to revise its tariffs. Specifically, VEDO proposes to add language to clarify that the Company will make available an electronic list of customers eligible for participation in the choice program, as defined by R.C. 4929.22(B), to retail natural gas suppliers certified by the Commission and approved by the Company for participation in the program. VEDO notes that the proposed tariff modifications conform to the Company's current practice.
- (4) On April 12, 2016, Staff filed correspondence in response to VEDO's application. In its letter, Staff states that it reviewed the application and concludes that the proposed revisions to VEDO's tariffs are reasonable and consistent with Commission rules pertaining to natural gas companies. Accordingly, Staff recommends that the Commission approve the application filed by VEDO.
- (5) The Commission finds that VEDO's application to revise its tariffs does not appear to be unjust or unreasonable and that it

should be approved. The Commission notes that, other than Staff's correspondence, which recommends approval of VEDO's application, no comments or motions to intervene were filed in response to the application. Finally, consistent with R.C. 4909.18, the Commission finds that no hearing is required in this case.

It is, therefore,

ORDERED, That VEDO's application to revise its tariffs be approved. It is, further,

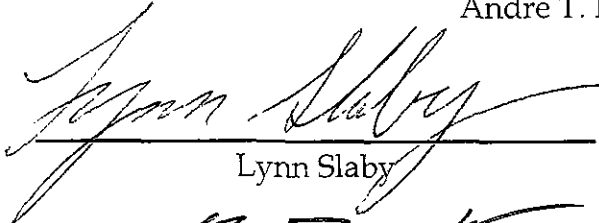

ORDERED, That VEDO is authorized to file tariffs, in final form, consistent with this Finding and Order. VEDO shall file one copy in this case docket and one copy in its TRF docket. It is, further,

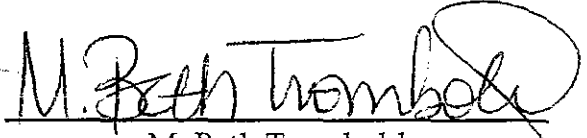

ORDERED, That the effective date of the new tariffs shall be a date not earlier than the date upon which the final tariff pages are filed with the Commission. It is, further,

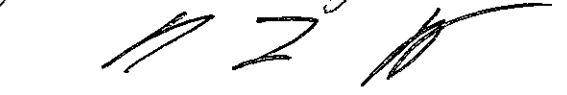

ORDERED, That a copy of this Finding and Order be served upon all parties of record.
