STIPULATED PROCEDURAL SCHEDULE

On April 15, 2016, Ohio Edison Company, The Cleveland Electric Illuminating Company and The Toledo Edison Company (“Companies”) filed their Application for Approval of Their Energy Efficiency and Peak Demand Reduction Program Portfolio Plans (“Plans”) for 2017 through 2019 (“Application”). The Application contained a proposed procedural schedule including a proposed technical conference on May 9, 2016. On April 29, 2016, the Office of the Ohio Consumers’ Counsel (“OCC”) intervened and filed a Limited Objection to the Companies’ proposed procedural schedule (“Limited Objection”), but agreed with the May 9, 2016 technical conference date. On May 2, 2016, the Attorney Examiner issued an Entry scheduling the technical conference date for May 9, 2016, but leaving the remainder of the procedural schedule for a subsequent entry.

In the interim, several parties intervened including the Environmental Law and Policy Center (“ELPC”), Ohio Environmental Council (“OEC”), Environmental Defense Fund (“EDF”), National Resources Defense Council (“NRDC”) and Ohio Partners for Affordable Energy

(“OPAE”). OCC, OEC, EDF, OPAE and the Companies¹ hereby stipulate to the following procedural schedule for this matter and resolve OCC’s Limited Objection:

- Objections to Plans and Motions to Intervene Due: June 14, 2016;
- Intervenor Testimony Due: June 28, 2016;
- Intervenor and Companies’ Discovery Deadline
(except Depositions): July 5, 2016;
- Discovery Deadline for Discovery Served
on or after June 28, 2016 to July 5, 2016: July 15, 2016;
- Evidentiary Hearings: July 25, 2016;
- Briefs and Reply Briefs: TBD
- Commission Order: By September 30, 2016

In addition to the above schedule, there is agreement to an expedited written discovery response time of ten (10) days with the exception of discovery served on or after June 28, 2016 to July 5, 2016, which shall be due on July 15, 2016 as referenced above.

As the OCC, OEC, EDF, OPAE and the Companies have stipulated to the above-referenced schedule, they request that the Commission approve the agreed-upon schedule for timely resolution of this matter.

¹ ELPC and NRDC have indicated that they do not object to the dates set forth in the Stipulated Procedural Schedule, but are not joining in this filing because they plan to seek amendment of the schedule to include a deadline for submission of rebuttal testimony.
