Re: MP2 Energy NE LLC, Case No. 14-802-GA-CRS

Dear Ms. McNeal,

On May 29, 2014, the Public Utilities Commission of Ohio (Commission) issued Certificate Number 14-356G(1) to MP2 Energy NE LLC authorizing it to provide aggregation, retail natural gas marketer services, and retail natural gas brokerage services. The effective period of that Commission-issued certificate is May 30, 2014 to May 30, 2016. Although Ohio Adm. Code 4901:1-27-09 authorizes a certificate holder to file an application with the Commission requesting certification renewal, MP2 Energy NE LLC is voluntarily electing not to pursue certification renewal. Please also take notice that MP2 Energy NE LLC has filed an abandonment application associated with Certificate Number 14-356G(1) in Case No. 16-1127-GA-ABN.

Very truly yours,

Ryan P. O'Rourke

Counsel for MP2 Energy NE LLC
