County(s):	Carroll	Township(s):	Harrison
------------	---------	--------------	----------

Reason for Reallocation:	In support of their request, Carroll Electric Cooperative, Inc. and Ohio Power Company explain that a service request for a new home located at 3232 Arrow Road, NW, Carrollton, Ohio is located approximately 1000 feet from existing Carroll Electric's facilities with the only access being across a farmer's field who would prefer Carroll not use that route. OP has existing facilities approximately 100 to 200 feet from the new home address. The customer has requested OP to provide service and it appears it is in the interest of all parties to request this overlap change.
