I strongly oppose the creation of the power pipeline, that is highly dangerous and can turn our neighborhoods into a pile of ash!

COMMENT DESCRIPTION:

So you want to put this gas pipeline in my neighborhood, so you want me to be exposed to a great danger and together with me my family and our villages ('Golf Manor, Amberley Village) for what reason? How do you decide this? Shame on you. After all the explosions that happened in the past like West Virginia and such? Are you guys human or robots/? Please stop this!
