Re: Case #16-253-GA-BTX

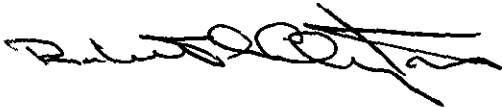

Dear Sirs:

I am writing to oppose the Duke Energy pipeline project in all neighborhoods in Cincinnati. It is not safe to put such a large pressurized pipeline in heavily populated areas.

I work to ensure the safety and security of many institutions in the city. Many of them are in the path of this pipeline. Don't make my job harder.

Act responsibly and protect all of Cincinnati from this project. Make Duke put it in a rural area!

Sincerely,

Robert S. Clayton
