Re: OPSB Case No. 16-1166-GA-BLN
Pre-Application Letter of South Field Energy LLC and Request for
Expedited Review

Dear Ms. McNeal:

South Field Energy LLC files this pre-application notification letter in accordance with Rule 4906-6-03(A) of the Ohio Administrative Code. South Field Energy LLC will soon be filing a letter of notification with the Ohio Power Siting Board for the South Field Energy Natural Gas Pipeline Interconnection (the "Interconnection") to be located in Madison and Yellow Creek Townships, Columbiana County, Ohio. The Interconnection will supply natural gas to the South Field Energy electric generation facility (Case No. 15-1716-EL-BGN) from a point of interconnect on the existing Dominion Transmission Pipeline natural gas pipeline located approximately 2 miles west of the electric generation facility. South Field Energy LLC anticipates commencing construction of the Interconnection in the first quarter of 2017.

Please be advised that pursuant to Rule 4906-6-04, South Field Energy LLC requests an expedited review on the letter of notification filing to support the overall development of the project including project financing.

Very truly yours,

Michael J. Settineri
