

In the Matter of the Application of eNetworks, ) Case No.16-1085-TP-ACE  
LLC for certification in the State of Ohio. )  
)

On May 12, 2016, eNetworks, LLC (Applicant) filed an application seeking authority to provide competitive telecommunication services. The Applicant proposes to offer leases on mobile infrastructure using fiber and metro cell nodes to large wireless carriers. These services will be part of the backhaul fiber network. Applicant will build to suit facilities with the locations dictated by the wireless carrier and its network demands. The Application is being filed pursuant to the Commission's 10-1010-TP-ORD Retail Rules, as codified in 4901:1-6-08 of the Ohio Administrative Code (O.A.C.). Absent full or partial suspension, certification applications will be approved in accordance with the thirty-day automatic approval process described in rule 4901:1-6-05 of the O.A.C.

The Staff reviewed all documents and exhibits filed with this application. The Applicant has demonstrated that it has the requisite technical, financial and managerial expertise to provide service in Ohio. Staff has determined that the proposed application appears to satisfy the Commission's requirements set forth in 4901:1-6-08 of the Ohio Administrative Code. Staff recommends that this application be approved on June 11, 2016.
