MEMORANDUM IN SUPPORT

Respondents were served copies of the Complaint by the Commission and were therein instructed to answer the Complaint within twenty (20) days after May 10, 2016. Twenty Days from May 10 is May 30th, a Monday and celebrated this year as Memorial Day, a legal holiday. Therefore, Respondents' last day to file the Answer in time would be three days after Memorial Day or June 4, 2016 (if filed by U.S. Mail, if filed by another means of delivery, the Answer is out of time under PUCO Rules.). Respondents failed to file an Answer within the time proscribed by Ohio law (on or before Friday, June 3, 2016) and there has not been an appearance of counsel or motion for extension of time filed on any Respondents' behalf.

Respondents are therefore in Default and Judgment should be rendered in favor of Complainant, Stand Energy Corporation.

WHEREFORE, Complainant Stand Energy Corporation moves the Public Utilities Commission of Ohio for Default Judgment against Respondents, jointly and severally, with said Judgment to include a finding of fact that the Customer Service Agreement between the parties was effectively and properly cancelled by Stand Energy Corporation as of February 13, 2016; an Order that Respondents be required to immediately refund all monies inadvertently paid by Complainant, Stand Energy Corporation for services after February 13, 2016, and; an Order requiring Respondents' to cease all post-termination cramming of charges for services no longer being received by Complainant, and; for Respondents to cancel and recall all such invoices with prejudice.

RESPECTFULLY SUBMITTED,

Kate E. Russell-Bedinghaus (0072613)
