COMPLAINT DESCRIPTION:

Do NOT place the gas line in Blue Ash. There are too many country fields you can use. Why pick a highly populated area with a ton of businesses, schools and college??!! They are trying to increase home value in Blue Ash and Montgomery. Doing this will ruin schools and the area as people will move out. I hope Kroger, P&G and all the other big companies move out of Blue Ash if they move forward. I don't want to put myself in danger each day when it all could be avoided
