COMPLAINT DESCRIPTION:

I have just learned that Duke Energy is planning on running a huge gas pipeline through my neighborhood, rendering my neighborhood an environmental hazard and basically destroying the value of my home as well as putting thousands of people at risk in the event of an explosion. How can this happen? It will run directly through densely populated neighborhoods, schools, hospitals, day care centers, and places of worship in the Cincinnati area. This is an unprecedented project and a massive safety hazard-an explosion could kill or injure thousands of

residents within the pipeline's path, and yet Duke is undeterred and will effectively be allowed to regulate itself. Please step up and protect the people who have voted for you. We Demand that the high-pressure gas transmission lines remain clear of densely populated areas. Enact stronger safety protections around the inspection and placement of these pipelines. Say NO to the Central Corridor Gas Pipeline Extension Project (OPSB case no,her 16-0253-GABTX).
