Subject: I'm against the proposed Duke pipeline in Cincinnati

Hello,

I am a homeowner in the neighborhood of Pleasant Ridge in Cincinnati. I recently became aware of Duke's request to build a 30" high pressure pipeline in Cincinnati. Two of the proposed routes are in my neighborhood.

I'm against the plan for two reasons. First, I think the potential for serious destruction is too high to put this pipeline in a densely populated area. Second, I am concerned about how such a pipeline would detrimentally effect the property value of my home.

I urge you to deny Duke's request to build this pipeline.

Sincerely,

Brian Emch
