COMMENTS: To Whom it May Concern,

I am a resident of Hamilton County where Duke Energy is requesting to lay a 30" high pressure pipeline through my community. I am writing to express my concern about this issue. The proposed locations of this pipeline are major areas of high population; situated near schools, businesses, churches, and homes. I am most concerned for the safety of my neighbor and county as well as the property values, ecological impact and placement. I am writing to ask that you decline this proposal from Duke to lay this pipeline. Thank you for your consideration in this matter.
