Dear Sirs, I am extremely concerned about this pipeline extension. I was notified about it on the day of the final meeting! I am scrambling around trying to find out facts! The rush to start this project, with so many affected residents only recently being made aware of it, is way out of line. The danger this pipeline poses for my neighborhood and our schools is very upsetting. Please reconsider allowing this to proceed. Would you like it next to your own property or that of your loved ones? Sincerely, Lou Ann Allen 7958 School Rd. Cincinnati, Ohio 45249 (Sycamore Township)
