Re: Duke Energy Proposed Pipe Line  
Case 16-253-GA-BTX

Duke Energy is proposing to construct a 30-inch gas pipeline near my neighborhood in Sycamore Township. Besides damaging the beauty of the area it will undoubtedly decrease property values.

It will create disruption of traffic along the busy corridor of Galbraith Rd., adversely effecting the investments of nearly new businesses, medical buildings, Jewish Hospital and Kenwood Towne Center.

It also is a potential danger to children going to and from Amity Elementary School on Galbraith Rd.

For the well-being and safety of the people of this community, please turn down the proposal for the pipeline along Galbraith and Blue Ash roads.

Thank you,

Lawrence Willenbrink
