Exhibit A-4

List all names under which the Applicant does business in North America

Applicant does business under the name Accenture LLP.

Exhibit B-3

Summary of Experience

Applicant is a nationwide provider of outsourcing, technology and management consulting services. Applicant, through its acquisition of Utilities Analyses, LLC in 2013, is an experienced energy services company that has concentrated on delivering supply side savings to its clients. It has offered utility rate tariff analysis services since 1986, and has been assisting its clients in analyzing deregulated supply opportunities versus price-to-compare or default service since 2000.

Applicant serves only commercial and industrial clients, and does not take title to energy, nor supply or collect fees for supply of energy. Applicant currently has three CRNGS clients with operations in Ohio. In deregulated markets such as Ohio, Applicant assist its clients in finding low cost supply when it is competitive with price-to-compare rates.
