SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS

Automated Collect Calls - Calls billed to the called party and completed through an automated call processing system that prompts the call originator and the called party such that the call is completed without live operator assistance.

Collect Billing - A billing arrangement whereby the originating caller may bill the charges for a call to the called party, provided the called party agrees to accept the charges.

Commission - The Public Utilities Commission of Ohio.

Company - Used throughout this tariff to refer to Value-Added Communications, Inc, unless otherwise clearly indicated by the context.

Correctional or Confinement Institutions - Used throughout this tariff to refer to prisons, jails, penal facilities or other institutions used for penalty purposes which contract with the Company for the provision of service for use by their inmate population.

Customer - A person, firm, partnership, corporation or other entity which arranges for the Company to provide, discontinue or rearrange telecommunications services on behalf of itself or others; uses the Company's telecommunications services; and is responsible for payment of charges, all under the provisions and terms of this tariff. In the case of collect-only calling services provided to inmates of correctional Institutions, the called party is the Customer and is responsible for payment of charges.

Inmates - The jailed population of correctional institutions who are authorized by the Institution to use such service. Responsibility for payment of Inmate charges requires positive acceptance by a Customer (i.e., billed to a third party) or prepayment by the Inmate.

Institution - Used throughout this tariff to refer to correctional institutions.

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS, (CONT'D).

Institutional Telephone - A coinless telephone instrument that allows Inmates to place collect and prepaid calls at the instrument.

LATA - Local access and transport area. A geographic area established by the US District Court for the District of Columbia in Civil Action No. 82-0192.

Pay Telephone - A telephone instrument equipped with a credit card reader, coin box, or similar device that allows charges to be collected for each call at the instrument.

Person to Person Call - A service whereby the person originating the call specifies a particular person to be reached, or a particular station, room number, department, or office to be reached through a PBX attendant.

Premises - The physical space designated by the Customer for the termination of the Company's service.

Station to Station Call - A service whereby the Customer places a non-Person to Person call with the assistance of an operator (live or automated).

Subscriber - The correctional or confinement institutions to which VAC provides the services specified in this tariff.

VAC - Used throughout this tariff to refer to Value-Added Communications, Inc, the issuer of this tariff.

SECTION 4 - RATES

4.1 General

Each customer is charged individually for each call placed through the Company. All charges are expressed in Dollars unless otherwise specified.

The charges for the Company's services are determined by:

- Distance between stations,
- Time of day and day of week,
- Duration of the call,
- Class of call, and
- Jurisdictional nature of the call (intraLATA or interLATA).

Customers are billed based on their use of the Company's service. No installation charges or fixed monthly recurring charges apply.

4.2 Automated Operator Service Charges

All automated operator calls are subject to operator service charges. These charges apply on a per call basis and are in addition to usage charges applicable to each call.

SECTION 4 - RATES, (CONT'D.)
4.3 VAC Inmate Calling Service**4.3.1 Rates and Charges****A. Local**

The charges equal the local exchange company price list rates for a local operator-assisted call.
