PUCO Hearing July 21

27

Providence Township / Lucas County

Otsego Schools Transportation Department is here today to request exemptions for 11 railroad crossings formerly known as the "Bluebird Train" route; in Lucas County in the townships of Providence and Waterville.

Otsego school buses stop 42 times per school day at these unused railroad crossings. Stopping at these unused tracks has become a safety issue for our buses; as well as other vehicles that are not prepared to stop at these unused tracks, the tracks are removed in several places.

The average railroad stop takes one minute or more when following the proper state procedure:

- 1- Slow down prepare to stop
- 2- Turn on Hazard lights
- 3- Open driver's window, ask students for silence
- 4- Turn off noisy equipment, radio, heaters, etc.
- 5- Set parking brake
- 6- Place bus in neutral
- 7- Open door look both ways
- 8- Shift back to drive
- 9- Close the door
- 10- Release parking brake

Bus # 10 stops 30 times per day, Bus # 1 stops 12 times. Each bus runs two morning routes and two afternoon routes. The railroad crossing increases our route times by 45- 60 minutes per day, reduces our efficiencies, and increases ride times for our students.

On behalf of the Otsego Transportation department, we are requesting exempt status at these railroad crossings in Lucas County.

Re: Crossing Exemption for the Toledo Lake Erie & Western Railroad System

The Otsego Local School District is requesting that Providence Township petition to exempt several railroad crossings under Ohio Revised Code 4511.63. We have attached and highlighted the list of crossings for your convenience. We feel that that making the crossings exempt would increase safety for our school buses and the entire community.

The railroad tracks are no longer being used, but until they are exempt, our school buses are required by state law to stop at them. By exempting these crossings, no vehicles would be required to stop, creating fewer hazards and increasing safety for our students and community members. Our buses are stopping at these crossings over 30 times per day, which increases our route times by at least 30 minutes and reduces our overall efficiencies.

We also attached an email from Jill Henry, PUCO Rail Specialist, stating that these crossings are good candidates for exemption. By declaring the crossings exempt, that will allow for the posting of an exempt sign and then placarded vehicles and school buses would be exempt from stopping.

If you have any questions, please feel free to contact us at 419-823-4381 or via email at akoch@otsegoknights.org or evasher@otsegoknights.org. Thank you for your time and consideration of this request.

Sincerely,

Subject: Crossing Exemptions

Providence Township is requesting exempt status for the following the following five crossing all within the Township limits.

- 1) 475255J TLEW Bailey Rd. Tr. 145
- 2) 475258E TLEW Pollock Rd. Tr. 147
- 3) 475262U TLEW Patton Rd. Tr. 148
- 4) 475264H TLEW Hartman Rd. Tr. 113
- 5) 475265P TLEW Yawberg Rd. Tr. 112

These tracks are removed in several places. They have not been used in quite some time and it has become a time and safety issue for the local school buses.

I appreciate your consideration of this matter and look forward to hearing from you.

Resolution No. 16-531

Title: Request the Public Utilities Commission of Ohio (PUCO) to Exempt the Crossings of the Toledo Lake Erie and Western Railroad (Blue Bird)

Department/Agency: Lucas County Engineer's Office

Contact: Ronald L. Myers, P.E., Traffic Operations Engineer

Summary/Background: The Lucas County Engineer Office's has received a letter from Otsego Local Schools, dated June 14, 2016, requesting that Lucas County petition to exempt several railroad crossings with the Toledo Lake Erie and Western Railroad (Blue Bird Line) in accordance with Ohio Revised Code, Section 4511.63.

Otsego Local Schools letter also states that the schools feel that making the crossing exempt would increase safety for Otsego school buses and the entire community. The railroad tracks are no longer being used, but until they are exempt, school buses are required by state law to stop at them. By exempting the crossings, no vehicles would be required to stop, creating fewer hazards and increasing safety. Otsego buses stop at these railroad crossings 30 times per day, which increases school bus route times by at least 30 minutes.

In reference to an email from Jill Henry, dated June 8, 2016, PUCO Rail Specialist stated that the subject railroad crossings are good candidates for exemption. By declaring the crossing exempt, that will allow for the posting of an exempt sign. The posting of the exempt sign, would exempt placarded vehicles and school buses from stopping at the crossings.

Budget Impact: N/A

Statutory Authority/ORC: *Ohio Revised Code*, Section 4511.63

Commissioner Gerken offered the following resolution:

WHEREAS, in consideration of the above, NOW, THEREFORE BE IT RESOLVED by the Board of County Commissioners, Lucas County, Ohio, that:
