

THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE APPLICATION OF
PROVISION POWER & GAS, LLC FOR
CERTIFICATION AS A COMPETITIVE RETAIL
NATURAL GAS MARKETER.

CASE NO. 16-1513-GA-CRS

ENTRY

Entered in the Journal on July 27, 2016

{¶ 1} On June 30, 2016, Provision Power & Gas, LLC (Provision) filed an application for certification as a competitive retail natural gas service (CRNGS) marketer.

{¶ 2} In accordance with R.C. 4929.20 and Ohio Adm.Code 4901:1-27-10, Provision's application is subject to a 30-day automatic approval process. Ohio Adm.Code 4901:1-27-10 further provides that, upon good cause shown, the Commission or an attorney examiner may suspend consideration of a certificate application. If an application for certification is suspended, the Commission shall act to approve or deny the application within 90 days of the suspension.

{¶ 3} The attorney examiner finds that good cause exists to suspend the 30-day automatic approval process with respect to Provision's application for certification, in order that the Commission and Staff may review the matter further.

{¶ 4} It is, therefore,

{¶ 5} ORDERED, That the automatic approval process for Provision's application for certification as a CRNGS marketer be suspended. It is, further,

{¶ 6} ORDERED, That a copy of this Entry be served upon each party of record.
