CASE # 15-1830-EL-AIR

July 27, 2016

To Whom It May Concern,

I'm opposed to Dayton Power & Light's plan to increase the customer charge from \$4.25 to \$13.73 per month!

I'm tired of all the extra charges to our bills & an increase like this is ridiculous!

As just one customer I can't do much but I'm hoping the PUC will help all of us to fight back against these additional charges.

We are retired and hoping our money won't run out.
