In the Matter of the Application of)	
Vectren Energy Delivery of Ohio, Inc.)	Case No. 16-904-GA-RDR

Replacement Rider Charges.)	

**STATEMENT OF VECTREN ENERGY DELIVERY OHIO, INC.
INFORMING THE COMMISSION WHETHER THE
ISSUES RAISED IN COMMENTS HAVE BEEN RESOLVED**

In accordance with the Commission’s May 5, 2016 Entry, Vectren Energy Delivery of Ohio, Inc. (VEDO) hereby submits its statement informing the Commission whether the issues raised in the comments have been resolved.

Staff filed Comments on July 21, 2016, recommending that the Commission approve VEDO’s Application. (Staff Comments at 7.) In consideration of its comments from last year’s case regarding the number of eligible contractors submitting bids, *see* Case No. 15-865-GA-RDR, “Staff found no evidence that VEDO offered any preferential treatment to [its affiliated contractor], established unreasonable qualification standards, or established any other unreasonable barriers that would prevent contractors from participating in the DRR bidding process.” (*Id.*) Staff raised no issues with VEDO’s Application and recommended that it be approved. (*Id.*) No other party filed comments.

Because no issues have been raised with the Application, there are none to be resolved, and VEDO believes that a hearing in this case is unnecessary. *See* Entry ¶ (4)(d) (May 5, 2016) (“*In the event* all of the issues raised in the comments are not resolved, . . . a hearing will commence”) (emphasis added). Therefore, VEDO respectfully requests that the Commission approve its Application, as filed.

Dated: July 29, 2016

Respectfully submitted,
