Subject: opposed to Cincinnati pipeline routes

Dear Sir or Madam,

I join thousands of my Cincinnati Ohio neighbors opposing pipelines through our city and through my neighborhood. Pipelines through residential or business areas are undesirable as the installation will be disruptive and will reduce our property values. The line will not benefit our community and your plans are self serving. Furthermore, pipelines through natural or agricultural areas are destructive and dangerous.

Better to route through warehouse or other light industrial use areas.

DO NOT PERSIST WITH PLANS TO PLACE PIPELINES THROUGH RESIDENTIAL OR BUSINESS DISTRICTS.

Thank you,

Nancy Griffin, Pleasant Ridge neighborhood in Cincinnati OH
