Re: City of Cincinnati Notice of Proposed Legislation under Chapter 4939.05

Dear Ms. McCauly:

Please be advised that the City of Cincinnati is considering the enactment of an ordinance that would establish permit and design requirements for personal wireless service facilities in the public right-of-way, codified as a new Chapter 719 of the Cincinnati Municipal Code. Although this filing is not required under 4939.05 because the ordinance does not establish a public way fee, this notice is nonetheless provided for purposes of transparency.

Please contact Assistant Solicitor Andrew Garth at (513) 352-3345 if you would like additional information or a copy of the proposed legislation.

Sincerely,

Andrew W. Garth
Assistant City Solicitor
