**Re: Case 14-1297-EL-SSO**

Dear Ms. McNeal:

This is to inform you that the Ohio School Boards Association, Ohio Association of School Business Officials, Buckeye Association of School Administrators, and Ohio Schools Council (collectively, "Power4Schools") will not be filing an initial brief on rehearing in this matter. Power4Schools believes that the Commission lacks jurisdiction under R.C. 4903.10 to consider on rehearing the FirstEnergy operating companies' revised Retail Stability Rate Rider, because it actually is a new proposal being offered. Power4Schools also believes that the FirstEnergy operating companies' new proposal and Staff's alternative Distribution Modernization Rider are not in the public interest because of the potentially billions of dollars they could add to consumers bills (including financially strapped public school districts in northern Ohio), the lack of qualitative benefits they provide to consumers, and that they are unlawful under Ohio law.

Power4Schools reserves its right to file a reply brief on rehearing.

Very truly yours,

Dane Stinson  
Counsel for Ohio School Boards Association,  
Ohio Association of School Business Officials,  
Buckeye Association of School Administrators,  
and Ohio Schools Council
