

THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE ANNUAL
REPORTS FOR THE FISCAL ASSESSMENT
OF ALL REGULATED ENTITIES FOR
CALENDAR YEAR 2015.

CASE NO. 16-01-AU-RPT

ENTRY

Entered in the Journal on August 17, 2016

I. SUMMARY

{¶ 1} The Commission directs all regulated entities who have failed to file a 2015 annual report for fiscal assessment to do so by August 29, 2016, or show cause why a civil forfeiture should not be assessed against them.

II. DISCUSSION

{¶ 2} R.C. 4905.10 requires each railroad and public utility to pay an annual assessment based upon their intrastate gross earnings for the purpose of maintaining the operations of this Commission and the Ohio Consumers' Counsel (OCC).¹ In order to calculate such assessment, R.C. 4905.14 requires each public utility to file an annual report with the Commission. R.C. 4905.10(A) sets a minimum assessment of \$100 per company, regardless of their intrastate gross revenues in the reporting year.

{¶ 3} R.C. 4905.54 empowers the Commission to assess a forfeiture of not more than \$10,000 per day for each violation or failure of a public utility or railroad, or an officer of a public utility or railroad, to comply with an order, direction, or requirement of the Commission made under authority of R.C. Chapter 4905.

¹ R.C. 4905.03(A) defines public utility companies to include telephone companies, electric light companies (except regional transmission organizations), heating or cooling companies, natural gas distribution companies, pipeline companies, and water-works and sewage disposal system companies. Railroad, bridge, and water transportation companies are included in the annual reporting requirement under R.C. 4907.02 and 4907.20. All certified retail electric and natural gas suppliers and aggregators are also subject to this reporting requirement under R.C. 4928.06 and 4929.23; while R.C. 4905.10(D) provides that, for the purpose of annual assessment, "public utility" includes electric and gas suppliers and aggregators subject to certification under R.C. 4928.08 and 4929.20, respectively.

{¶ 4} On January 20, 2016, the Commission issued an entry directing each reporting company subject to fiscal assessment for the 2015 calendar year submit its annual report using the Commission's on-line system by May 2, 2016, or contact the Commission's Docketing Division for special accommodations. All reporting companies were reminded that a \$1,000 civil forfeiture might be assessed, pursuant to R.C. 4905.54, against any company failing to comply, absent good cause shown.

{¶ 5} The Commission's records reflect that the companies listed on the attachment to this Entry have failed to submit 2015 annual reports for the corresponding certificate or operating authority shown on the attachment. Each listed company should submit a 2015 annual report for the listed certificate or operating authority, or file a response in this docket showing cause why the listed certificate or operating authority should not be rescinded and/or a civil forfeiture assessed against the listed company, by August 29, 2016.

III. ORDER

{¶ 6} It is, therefore,

{¶ 7} ORDERED, That each company listed on the attachment to this Entry submit a 2015 annual report for the corresponding listed certificate or operating authority shown on the attachment, or file a response in this docket, by August 29, 2016. It is, further,

{¶ 8} ORDERED, That notice of this Entry be served via the Electric-Energy, Gas-Pipeline, Railroad, Telephone, and Water industry listserves, and a copy of this Entry be served upon each company listed on the attachment, by both regular and certified mail, and upon all parties of record.
