RE: Case No. 16-01-AU-RPT

Dear Secretary McNeal:

On August 17, 2016, the Commission issued an Entry in the above referenced case directing all regulated entities to file a 2015 Annual Report by August 29, 2016.. The only entity that is represented by Eagle Energy shown on the Attachment to the Commission's Entry is the City of Springdale. Please be advised that the City's 2015 Annual Report was filed on February 10, 2016. We have noted that the Entry's Attachment reflects Certificate Number 12-240G for the City, however, the actual Certificate Number is 12-140G.

Enclosed is a copy of the Commission's notice certifying the Annual Report was submitted on February 10. We hope this clarifies the annual report requirement for the City of Springdale but if additional information is required, please contact our office. Thank you in advance for your assistance in this matter.

Very truly yours,

Donald I. Marshall  
President
