Dear Natural Gas Consumer,

Volunteer Energy Services, Inc. (VESI) in cooperation with the City of Marion is providing you with the opportunity to join with other residents and small commercial customers in the City's natural gas Government Aggregation Program. **If you have received this letter and are outside the boundaries of the City of Marion, please let us know by calling 800-977-8374 extension 2345.** Government Aggregation programs allow City officials to bring together citizens to gain group-buying power for the purchase of natural gas from a retail supplier licensed by the Public Utilities Commission of Ohio. Marion voters approved this program in 2009.

During the past few months, we have researched options for competitive natural gas pricing for you. We have chosen VESI, an Ohio based corporation to provide you with natural gas on a year to year basis unless otherwise negotiated.

You will be automatically enrolled in the Cities Natural Gas Government Aggregation Program unless you choose to "opt out" – that is, affirmatively choose not to participate. If you wish to be excluded from the City's natural gas aggregation program, you must return the enclosed "Opt-Out" form by **September 29th, 2016**. Otherwise, you will be included in the aggregation program. If you do not opt out at this time, you will receive a notice at least once every two years asking if you wish to remain in the program. However, you do not need to do anything to participate. There is no cost for enrollment and you will not be charged a switching fee.

For members of this program, VESI has offered to provide natural gas to Aggregation Members at rate of NYMEX + \$0.11 per Ccf at the burner tip. Through March, 2017, VESI's rate will be NYMEX + \$0.11 per Ccf.

VESI will notify you if a new rate is established and you will automatically continue at that rate unless you choose to cancel. If you are ever unhappy with your rate, you may leave the program free of charge at any time. Please refer to the attached Terms and Conditions for full details of this offer.

After you become a participant in the City's natural gas aggregation program, Columbia Gas will send a letter confirming your selection of VESI as your natural gas provider. As required by law, this letter will inform you of your option to cancel your enrollment with VESI within seven business days of its postmark date. To remain in the City's government aggregation program, you don't need to take any action when this letter arrives. You will be automatically enrolled.

Columbia Gas of Ohio will always be responsible for ensuring the distribution of natural gas to your premises and will continue to maintain your meter, the monthly reads and the pipelines that deliver natural gas to your home. Your natural gas bill will also continue to come from Columbia Gas of Ohio. The only change you'll notice is the name of your new gas supplier, VESI, included on your bill.

If you have any questions, please call VESI toll-free at 1-800-977-8374, Monday through Friday, 8:30 a.m. to 4:00 p.m.

Sincerely,

City of Marion and

Volunteer Energy Services, Inc.

You will remain responsible for all natural gas consumed by you prior to the actual cessation of services. If your supply contract with VESI is terminated, your natural gas supply will automatically be provided through the utility company's current plan under its standard tariff unless or until you choose another supplier.
