

Re: Case No. 15-1830-EL-¹
AIR Aug. 29, 2016

Dear DVC,

I am opposed to DPL's
plan to increase the
customer charge by more than
three times while supporting
polluting practices.

I believe that DPL
should increase their renewable
energy and energy efficiency
programs. I would be far more
~~likely~~ willing to pay an increased
charge if this were the case.

Sincerely,

Claudia Baldwin
