Re: DP&L increase 9/2/16

PUCO -

I'm opposed to Dayton Power & Light's plan to increase the customer charge. This is an unfair burden to put on people that rely on power; the sick, elderly, especially. Please figure out a way to stop these rate increases ~~and~~ as shopping suppliers is not easy to do, nor understand for most of the population. Thanks!

DP + L's plan to
increase my customer

DP + L should be
encouraging every efficiency,
not punishing customers
