

**BEFORE
THE PUBLIC UTILITIES COMMISSION OF OHIO**

In the Matter of the Application for Certification	:	
As an Ohio Renewable Energy Resource Generating	:	Case No. 12-0439-EL-REN
Facility for Mitchell Heim	:	Case No. 13-0486-EL-REN

**REVIEW AND RECOMMENDATION
SUBMITTED ON BEHALF OF THE STAFF OF
THE PUBLIC UTILITIES COMMISSION OF OHIO**

On February 15, 2012, Mitchell Heim filed an application for certification of a generation facility as an eligible renewable energy resource generating facility in case no. 12-0439-EL-REN. The Mitchell Heim Facility was certified on April 16, 2012. On September 13, 2016, Mitchell Heim filed an document asking that the facility certification be withdrawn as the facility was certified subsequently in case no. 13-0486-EL-REN. Mitchell Heim has indicated the desire to keep the certification in case no. 13-0486-EL-REN as the certificate number in that case has been registered with the tracking system PJM-GATS and to withdraw the certification in 12-0439-EL-REN. Staff recommends the Commission revoke the certificate with certificate number 12-SPV-PA-GATS-0665 pursuant to the applicant's request.

This foregoing document was electronically filed with the Public Utilities
