Subject: Oppose the Central Corridor Pipeline Extension Project

Dear PUCO Commissioner Thomas W. Johnson,

As a resident of Madeira and concerned citizen, I am writing you to register my opposition to Central Corridor Pipeline Extension Project (Reference No. 16-253- GA-BTX).

Dear officer,

I will not be able to sleep each night if Duke Energy build this unsafe high pressure pipe line in my neighborhood. Also my property value will be impacted negatively. I strongly oppose Duke Energy's plan to build such a pipeline.

Thanks  
Larry

This pipeline will travel through densely populated areas, including my neighborhood and will pose a danger to residences, schools, businesses and houses of worship.

Unlike delivery pipelines, this pipeline will be under up to 720psi pressure and an accident or rupture could cause injuries, death and destruction of property within a radius of 1/3 mile.

I ask you to oppose this pipeline and encourage both Duke Energy and the Ohio Power Siting Board to reject this pipeline

Thank you for your consideration.

Regards,  
Larry Li
