Columbus, OH 43215-3793

PRE-APPLICATION NOTIFICATION LETTER
London-Tangy 138 kV Transmission Line
Tap to National Substation Project
Case No. 16-1930-EL-BNR

Dear Ms. McNeal:

In accordance with Ohio Administrative Code ("OAC") Rule 4906-6-03(A) and OAC Chapter 4906-6 generally, this letter will serve as the pre-application notice letter of applicants American Transmission Systems, Incorporated ("ATSI") and Ohio Edison Company, ("OE"), FirstEnergy companies, for the above referenced Project. Applicants expect to file a Construction Notice with the Ohio Power Siting Board for the Project shortly.

In this Project, ATSI and OE are proposing to install approximately 260 feet of transmission line for a new tap from the existing London-Tangy 138 kV Transmission Line to the proposed National Substation. One new tap structure and two new switch structures will be installed and one existing structure will be removed on the existing London-Tangy 138 kV Transmission Line as part of the Project. The Project is located in Deer Creek Township, Madison County, Ohio.

Construction for this Project is scheduled to begin as early as November 7, 2016 and be completed by March 31, 2017.

Please be advised that pursuant to Ohio Administrative Code 4906-6-04, ATSI and OE will request expedited review of this Project when it is filed.

Sincerely,

William R. Beutler
Engineer II
Energy Delivery Transmission and Substation Design
FirstEnergy Service Company
