### **MEMORANDUM OF SUPPORT**

On July 16, 2014, Choice submitted its Certification Application to become a Competitive Retail Natural Gas Broker/Aggregator in Ohio. Effective August 16, 2014, Choice was issued a certificate as a Competitive Retail Natural Gas Broker/Aggregator, Certificate No. 14-1265-GA-AGG. That certificate expired on August 16, 2016, and Choice was unable to renew the certificate before the expiration date. Pursuant to OAC Rule 4901:1-27-04, any Competitive Retail Natural Gas Broker/Aggregator, within sixty (60) days of its certificate's expiration, may request to extend its previous certificate during the pendency of the review of a new Application. Simultaneously with the filing of this Motion, Choice is submitting a new Initial Certification Application - Competitive Retail Natural Gas Broker/Aggregator in Case No. 16-2004-GA-AGG. Further, this request shall be deemed automatically approved if filed in conformance with OAC Rules 4901:1-27-07.

Choice's Motion to Extend its Previous Certificate is filed in conformance with the Commission Rules, specifically OAC Rule 4901:1-27-04 and 07. Further, Choice's Motion was filed less than sixty (60) days from the expiration of its previous certificate (which will be October 16, 2016), as provided by the OAC. For all of the foregoing reasons, Choice respectfully requests that its Certificate No. 14-1265-GA-AGG be extended pending the review and approval of its newly filed Initial Certification Application - Competitive Retail Natural Gas Aggregator/Broker.

Respectfully submitted,

/s/ Christopher L. Miller
