**Re: Hardin Wind Energy LLC,
Case Nos. 09-479-EL-BGN**

Dear Ms. McNeal:

The March 22, 2010 Opinion, Order, and Certificate (“Certificate”) approving Hardin Wind Energy LLC’s (“Hardin Wind Energy”) Certificate of Environmental Compatibility and Public Need established a set of conditions as part of the Certificate. On April 29, 2011 in Case No. 11-3446-EL-BGA, the Ohio Power Siting Board (“OPSB”) approved an amendment (“Amended Certificate”) to Hardin Wind Energy’s Certificate, which also established an additional set of conditions.

Within this set of conditions, **Certificate Condition No. 60** requires that:

Hardin shall provide to staff the following information as it becomes known: the date on which construction will begin. . .

In compliance with Certificate Condition No. 60, Hardin Wind Energy gives Staff notice that it plans to start construction of the 2016 phase on November 21, 2016.

If you have any questions please call at the number listed above.

Sincerely,

Sally W. Bloomfield
